MOUNTAIN SEARCH PILOT CLINIC

For all Montana Pilots interested in learning Search and Rescue techniques.

September 11 - 13, 2009
Helena MT

An intensive 3-day session for pilots registered with the MDT Aeronautics Division. This clinic prepares our volunteers for Air search and rescue missions. Pilots wanting to volunteer for air search and rescue may do so on the back of the MT pilot registration cards.

Watch for the current flyer. It will be uploaded to our website by the end of April, and will be mailed to all Montana schools.
