STILLWATER CO., MONT.
NORTHERN PACIFIC RAILWAY
MONTANA DIV., LAKE BASIN BRANCH.
STATION 1470+00 TO STATION 1520+00.
Scale: 1 inch = 100 feet. December 8, 1919.
Office of Chief Engineer. St. Paul, Minn.
By Permit or Easement dated Jany 8, 1919 (Deed No. 47), the County of Stillwater grants to the N.P. Ry. Co. perpetual right to construct, maintain and operate a water supply pipe line in and along Third Street in the Townsite of Rapelje and in and along a direct extension southwardly of said street, through the public park contiguous to the said townsite, to the east and west center line of Sec. 33, T. 3 N., R. 20 E., such pipe line to extend from a connection with the Ry. Co's well and pump house in the S.W. 1/4 of the N.W. 1/4 of Sec. 33 aforesaid to a connection with the Ry. Co's water tank on its r. of w. at Rapelje station, subject to right of the County to connect such pipe line with a municipal hydrant at the intersection of Third and Main Sts. in said townsite and thereby through to draw water from such pipe line for fire protection purposes only.
