LEWIS AND CLARK CAVERN STATE PARK

Lewis and Clark Cavern, Montana's featured state park, is the largest limestone cavern in the Northwest. Located in the heart of Montana's wonderland between Glacier and Yellowstone National Parks, Lewis and Clark Cavern is easy to reach and fun to explore.

Colorful stalactites, stalagmites, columns and flowstone, produced by a million years of natural processes, form interesting and unusual sights. The cavern is a year-round temperature of 40°, which makes the Bighole Park headquarters to near the cavern entrance and an electric train carries the trip.

Inside the cavern, where natural air-conditioning prevails, 300 steps lead downhill. No climbing is necessary.

Guided tours take 90 minutes. Admission charge (including jeep runway and train ride) is $1.00 for adults; 50c for children.

Tours operate at frequent intervals during hours:
May 1–June 15: 8 a.m. to 5 p.m.
June 15–Labor Day: 8 a.m. to 9 p.m.
Labor Day–Sept. 30: 8 a.m. to 5 p.m.

Free picnicking and camping facilities are provided.
