Memorandum

To: Distribution

From: Duane Williams, P.E. Revised 2/2/23 *MC*
Traffic & Safety Engineer

Paul Ferry
Highways Engineer, P.E.

Date: November 19, 2010

Subject: Public Rights-of-Way Accessibility Guidelines (PROWAG)

In the Engineering Division Policy Memo dated August 17, 2010, the Department adopted the PROWAG as the official accessibility manual. The PROWAG replaces the ADA Accessibility Guidelines (ADAAG). It should be noted that the PROWAG is currently a draft and the Department will adopt the final version as soon as it complete. The current draft can be found at

<http://www.access-board.gov/prowac/draft.pdf>

Although the criteria in the PROWAG can be implemented at any time, all projects let after June 2011 must meet these criteria.

If you have any questions concerning the guidelines, please contact the Traffic & Safety Engineer or the Highways Engineer. Duane at 444-7312 or Paul at 444-6244.
