

## CHAPTER 6.0: LIST OF PREPARERS

The consultant team for this Environmental Impact Statement (EIS) was David Evans and Associates, Inc., and Carter & Burgess, Inc. Several subcontractors provided technical expertise on various portions of this EIS. These subcontractors were:

- Historical Research Associates (Missoula, Montana): Prepared cultural resources report.
- NTL Engineering & Geoscience, Inc. (Great Falls, Montana): Provided geotechnical analysis.
- T.W. Environmental, Inc. (Portland, Oregon): Prepared noise and air quality analysis.

**Table 6-1** lists the representatives of the agencies and firms responsible for preparation and review of the EIS, with their project responsibility, education, and experience.

List of Preparers**

Name, Title and Project Responsibility	Education, Registration	Experience
<b>US Department of Transportation, Federal Highway Administration</b>		
Craig Genzlinger, PE EIS Reviewer	BS, Civil Engineering	Over 16 years experience in highway engineering
Carl D. James, PE, PLS EIS Reviewer	Transportation Specialist Professional Engineer (CO)	Over 31 years experience in planning, design, construction, the environment, and right-of-way
Neel S. Vanikar	BS, Biology MS, Civil Engineering	Over 9 years of highway engineering, project development, and NEPA experience with FHWA
Ted Burch, PE Project Development Engineer	BS, Civil Engineering Licensure in Louisiana	Over 16 years experience in highway engineering
Lloyd H. Rue, PE, PTOE EIS Reviewer	BS, Civil Engineering MS, Civil Engineering Professional Engineer (CA)	21 years experience in geometric design, traffic engineering, and safety
Robert E. Burkhardt Conformity and Local (MPO) Federal Planning Requirements	BS, Civil Engineering	27 years experience in civil engineering
<b>David Evans &amp; Associates, Inc.</b>		
Stephen Long, PE Project Manager Alternatives Development	BS, Civil Engineering Professional Engineer	19 years experience in civil engineering
Mike Odom, PE Lead Design Engineer Alternatives Development	BS, Civil Engineering Professional Engineer	24 years experience in civil engineering

List of Preparers**

Name, Title and Project Responsibility	Education, Registration	Experience
C. Scott Richman, AICP Transportation Analysis	BA, Environmental Design, Certified Planner	15 years experience in transportation planning
Ryan LeProwse Transportation and Traffic Engineer	BS, Civil Engineering	9 years experience in transportation planning and traffic engineering
Tom Bennett Senior Civil Designer Roadway Design		24 years experience in civil design and contract administration
Ed Schumm, AICP Transportation Analysis	BS, Information Systems Certified Planner	18 years experience in transportation planning
Victor Salemann, PE QA/QC, Senior Transportation Engineer	BS, Civil Engineering Professional Engineer	23 years experience in transportation planning, design, and administration
Martha Wiley Senior Environmental Planner, Biological Report	BA, Geography MA, Geography	27 years experience in environmental analysis, planning, and document preparation
Bret Forrester Senior Biologist	BS, Wildlife Biology Certified Wildlife Biologist	19 years experience in biology
Scott Swarts Fisheries Biologist	BS, Environmental Science	13 years experience in fish and wildlife management
Susan Platte (Canniff) Wildlife Biologist	BS, Biology	9 years experience in wetland delineations and biological assessments
Paul Greco, PE Preliminary Bridge Design	BS, Civil Engineering MS, Civil Engineering (Structural) Professional Engineer	14 years experience in bridge design
<b>Carter &amp; Burgess, Inc.</b>		
Jeanette Lostracco, AICP Project Manager Environmental Impact Statement Document	BA, Geography MBA Certified Planner	28 years experience in environmental analysis and project management
Diana Bell Environmental Document Manager, Visual, Section 4(f)	BS, Landscape Architecture	14 years experience in environmental planning

List of Preparers**

Name, Title and Project Responsibility	Education, Registration	Experience
Tracey MacDonald Cumulative Impacts	BA, International Business BS, Political Science Graduate Courses in Planning	14 years experience in the transportation and environmental fields
Wendy Wallach, AICP Land use, parks and recreation	BA, Geography MA, Urban and Regional Planning Certified Planner	12 years experience in environmental planning
Shonna Sam, AICP Land Use, Parks and Recreation, Social, Economic	BA, Geography BA, Environmental Studies MURP, Urban and Regional Planning Certified Planner	4 years experience in environmental analysis
Robert Quinlan Water Resources / Floodplain, BRR editor	BS, Biology MS, Zoology and Physiology/ Aquatic Biology	28 years experience in environmental analysis
Brian Werle, PE Environmental planning, water resources section	BS, Geological Engineering Professional Engineer	18 years environmental consulting
Andy Priest GIS Specialist	BA, Natural Resource Management	9 years experience in GIS and environmental planning
Troy Halouska Public Involvement	BA, Geography	8 years experience in environmental planning
Laura Backus, PWS Vegetation, Weeds, Wetlands, and Rare Plants	BS, Psychology MA, Biology	13 years experience in wetland delineation and vegetation surveys
Craig Carter, PG Hazardous Waste (Phase I ESA)	BS, Geology MS, Geology Professional Geologist	17 years experience in environmental investigations and remediation projects
Chris Hudon, Hazardous Waste (Phase I ESA)	BS, Natural Resource Management and Engineering	12 years experience in environmental management and remediation services
Mary Speck Technical Editor	BA, Foreign Languages	16 years experience in technical editing, document quality control, and public information
Misty McCoy Farmland, Social, Public Involvement, EIS Document Preparation	NEPA course	21 years experience in NEPA document preparation
