RE: MANDATORY D.O.T. TRAINING

ATTENTION:

This is our second attempt to contact you regarding your D.O.T. compliance. Please read carefully.

In a recent survey it was discovered that many driver supervisors are non-compliant due to delinquent training requirements. It is mandatory that anyone who supervises drivers complete this Drug & Alcohol Awareness Training.

SECTION 49 CFR Part 382.603 of the FMCSA Regulations states:

*"Each employer shall ensure that ALL PERSONS DESIGNATED TO SUPERVISE DRIVERS receive at least 60 minutes of training on alcohol misuse and receive at least an additional 60 minutes of training on controlled substance abuse use."*

Do not risk FAILING A D.O.T. AUDIT because of non-compliance. Please make sure that all supervisors who have not had this training register for the following training course:

**WHAT:** Mandatory 2-Hour Drug & Alcohol Awareness Training

**WHERE:** Online Training (log-in from any computer)

**WHEN:** Register Now (stop and start the training as you need to)

**COST:** \$99 (we have been authorized to increase price to \$149, so register as soon as possible)

**Register at [www.supervisorcompliance.org](http://www.supervisorcompliance.org)**

A Certificate of Completion will be issued following the completion of the course and updated in the compliance database.

Sincerely,

Supervisor Compliance Training Department

If you are a Single Owner Operator or you have had this training before, then you are not required to take the Drug & Alcohol Awareness Training. Supervisor Compliance Training Department, LLC provides training required by the U.S. Department of Transportation but is not the U.S. Department of Transportation nor is it a government agency.
