To register

- Go to <http://cert.safekids.org>
- Click on “Find a Course” and follow the instructions
- The \$85 registration fee includes your first two years of certification

Classroom Information

- Hands-on activities to become familiar with all types of car seats and seat belt systems
- Learn which car seat systems are appropriate for different age & weight of children and how to correctly install them
- Optimal instructor-participant ratio for maximum learning

Course highlights

- Reference manual to take home
- 20-32-hour course with 3 written tests, 3 skills evaluations
- Hands-on experience installing car seats
- Participate in a real community car seat checkup event!

Become a certified child passenger safety technician.

Use your new skills to teach parents and caregivers about proper car seat safety for their children.

Make a difference...

Help ensure Montana’s little ones are safer while traveling.

There is no conflict of interest for any Planners or Presenters of this activity.
