

FY 2024 Grant Applications Submitted by MDT

as of 1/10/2025

| Grant Application Name | Project Type | Grant Application Description | Approximate Amount Requested | Awarded |
|--|--------------|---|------------------------------|---------|
| Rebuilding American Infrastructure with Sustainability and Equity (RAISE) | | | | |
| Lockwood Interchange | Construction | Reconstruct and reconfigure Lockwood Interchange to improve traffic operations | \$25,000,000 | X |
| Gore Hill Interchange | Construction | Reconfigure Gore Hill Interchange into a roundabout with an additional southbound lane to improve traffic operations and reduce congestion. | \$25,000,000 | X |
| West of Missoula NW | Construction | Improve roadway geometry of Mullan Road to improve the driving surface and safety. | \$18,300,000 | X |
| Multimodal Planning Discretionary Grants (MPDG) | | | | |
| Lockwood Interchange | Construction | Reconfigure Lockwood Interchange to improve traffic operations | \$27,300,000 | X |
| Gore Hill Interchange | Construction | Reconfigure Gore Hill Interchange into a roundabout with an additional southbound lane to improve traffic operations and reduce congestion. | \$19,000,000 | ✓ |
| Stone Creek North | Construction | Reconstruct MT-41 between Dillon and Twin Bridges, and replace 2 bridge structures along route to improve safety | \$24,000,000 | ✓ |
| Missouri River Bridge Replacement | Construction | Replace the Missouri River Bridge in Fort Benton | \$25,600,000 | ✓ |
| Low Carbon Transportation Materials (LCTM) | | | | |
| LCTM - Inflation Reduction Act Section 60506 | Construction | Develop a program to use construction materials and products that have lower levels of embodied GHG emissions associated with the production stage | \$45,000,000 | ✓ |
| Strengthening Mobility and Revolutionizing Transportation (SMART) | | | | |
| UAS Hub | Planning | Develop and test a portable road hazard monitoring device. | \$1,970,000 | X |
| 27th Street RR Crossing - Billings | Planning | Implement an excessive delay warning system which would provide more robust delay informaton to drivers during train crossing events on 27th St. | \$1,550,000 | X |
| Wildlife Crossings Pilot Program (WCPP) | | | | |
| Cougar Creek Bridge Replacement and Wildlife Accommodations | Construction | Replace the existing bridge with a longer, wider structure that will include the following wildlife accommodations: increased clearance under the bridge, wildlife paths, wildlife fencing, and wildlife detection system | \$8,530,000 | X |
| US 93 Darby to Idaho Wildlife Crossing Feasibility Study | Planning | Identify wildlife migration corridors, and determine appropriate wildlife crossing to reduce wildlife vehicle collisions along US-93 from Darby to Idaho | \$424,000 | ✓ |
| US 191 Gallatin Gateway Wildlife Crossings | Construction | Construct a wildlife overpass and pathway and fencing and jumpouts, replace an existing stockpass with a new underpass on US 191 south of Gallatin Gateway | \$23,000,000 | X |

FY 2024 Grant Applications Supported by MDT

| Grant Application Name | Lead Applicant | Grant Application Description | Project Type | Awarded |
|---|---|--|--------------|---------|
| Rebuilding American Infrastructure with Sustainability and Equity (RAISE) | | | | |
| Missoula County Off System Bridges | Missoula County | Replace 5 off system bridges. | Construction | X |
| Belgrade-Urban Improvements | City of Belgrade | Improve Jackrabbit Lane in Belgrade between Madison Ave and Main St with grade-separated railroad crossing, wider Jackrabbit Lane, and bike/ped accommodations. | Construction | ✓ |
| East Helena Valley Drive Multimodal Connectivity Project | East Helena | Add 8'000 ft of 6' wide sidewalk with ADA compliant crossings at each road crossing. Add 8' paved separated path with solar lighting connecting East Helena High School to residents. | Construction | ✓ |
| Browning Streets Community Connectivity Project | Blackfeet Tribe | Planning study to address roadway and pedestrian safety issues throughout the community. | Planning | ✓ |
| Parks to Passes Project | Western Montana Trail Coalition | Plan for an active transportation route from MT-ID border to Butte | Planning | X |
| Kalispell Bypass | Kalispell | Finish last sections of Kalispell Bypass | Construction | X |
| Climate Reduction Pollution Grant | | | | |
| Missoula Urban Forest Revitalization Project | Billings TrailNet | Invest in restoring a healthy, robust, urban forest within downtown Missoula. | Planning | X |
| Montana Emergency Tourism Assistance Program (METAP) | | | | |
| Polson Community Awareness Regarding Enforcement and Safety Program | Polson Police Department | Purchase two SMART 18-speed trailers and one SMART Variable Message Sign (VMS) in order to promote safer driving behaviors, supporting emergency response efforts, and improving overall public safety | Safety | ✓ |
| Rails to Trails Conversancy | | | | |
| TrailNet Visioning Videos Project | Billings TrailNet | Develop promotional videos that highlight and market Billings TrailNet's top five trail projects. | Planning | X |
| Wheatland Memorial Healthcare | | | | |
| Wheatland Memorial Healthcare | Billings Clinic | Improve access on US 191 to new facility of Wheatland Memorial Healthcare | Construction | TBD |
| Multimodal Planning Discretionary Grants (MPDG) | | | | |
| Theodore Roosevelt Expressway Freight Safety Project | North Dakota Department of Transportation | Improve access for Theodore Roosevelt National Park, ensure safety and efficient movement of people and goods | Construction | X |
| Missoula Russell Street Regional Connector Project | Missoula MPO | Reconstruct Russell Street from Dakota St to Mount Ave, and Broadway St and Russell St intersection. | Construction | ✓ |
| Consolidated Railroad Infrastructure and Safety Improvements (CRISI) | | | | |
| Belgrade-Urban Improvements Project | City of Belgrade | Improve Jackrabbit Lane (N-291) between the intersections of Madison Avenue (U-603) and Main Street (N-205/U-605) | Construction | X |
| Developing a Home-Grown Multidisciplinary Rail Workforce | MSU/WIT | Develop rail workforce through corridor systems planning process | Planning | ✓ |
| Reconnecting Communities Pilot (RCP) | | | | |
| Crow Tribe I-90 Pedestrian Crossing Project | Crow Tribe of Montana | Complete planning activities for ped/bike overpass connecting Crow Agency on the southside of I-90 to the Tribal and Veteran housing facilities on the north side of the interstate. | Planning | ✓ |
| Promoting Resilient Operations for Transformative, Efficient, and Cost-Saving Transportation (PROTECT) | | | | |
| Missoula County Off System Bridges | Missoula County | Replace 5 off system bridges. | Construction | TBD |
| Railroad Crossing Elimination Program (RCE) | | | | |
| Montana Avenue Grade Separation Project | City of Helena | Enhance vehicle, bicycle, and pedestrian safety by eliminating an at-grade highway-rail crossing on Montana Avenue in Helena, Montana. | Planning | ✓ |
