Location: Helena Department: Transportation

Division and Bureau: Administration, Accounting Services Bureau

Section and Unit: Payroll and Benefits Section

Job Overview:

Responsible for providing accurate and concise information to employees, supervisors and human resources in order to process, track, and implement payroll related information. Regularly responds to inquiries such as union affiliation, civil service requirements, W-2 and I-9 questions, benefit information, policies and procedures for MDT and the State, FMLA guidance, FLSA rules, as well as a wide variety of other issues that arise during the new hire phase, bi-weekly payroll cycle, employment status changes that relate to pay and departmental and state wide policy and procedural changes. Presents training and informational sessions related to payroll processes, state benefits, and changes to policies and procedures. Is the secondary benefit support to department headquarters and districts/area offices. Reports directly to the Payroll Supervisor and does not supervise others.

Essential Functions (Major Duties or Responsibilities):

Payroll Dutes - 70%

Coordinates and oversees the integrity of all payroll data processed within the departments payroll systems, ensures payroll changes, ensures compliance will all calculations, leave balances, monitors expenditure data, ensures compliance with FMLA, resolves unusual or complex payroll errors, prepares all payroll entries and calculates all payments for payroll system. Applies concepts related to departmental, state and federal laws/policies/regulations as they relate to the entire payroll process.

- Ensure the completion of the department payroll and review and approve transactions prior to submission to Central Payroll. Process unusual salary changes; review payroll documents for accuracy of completion; prepare payroll for submission; and process payroll information for inactive and newly hired seasonal employees. Prepare documentation and support for off-cycle check submissions.
- Understands and interprets the various union contracts and apply the information contained within those contracts to the review and verification process.
- Manage the contract allowances to ensure consistency of application as it relates to the various union contracts. Track supporting documentation; ensure allowances are paid timely and in accordance with union contract terms and conditions; and staying abreast of the contract changes/finalization.
- Ensure compliance of payroll documentation and related accounting data such as timesheets, payroll information, benefit information, travel reimbursements and travel advances.
- Ensures FMLA data is entered accurately and is compliant within the payroll systems.
- Stays abreast of new developments in any benefits administered by the State of Montana. Provides guidance on issues that may be unclear as they relate to benefits.
- This position is responsible for the tracking and entering of sick leave fund and grants for the entire agency. Ensure request is in compliance with departmental and state policies and procedures. Follow-up communication with the donor and recipient as to balance, availability and use of hours.
- Work with the other Payroll Specialists during unusual pay cycles (i.e. holidays and fiscal year end) to ensure payroll is processed accurately and on time.
- Assist with development, testing and implementation of ETS enhancements.
- Direct and implement various payroll changes to ensure all changes are completed timely and accurately.
- Calculate payroll payments resulting from position changes. Respond to inquiries based on calculations. Prepare journals for payroll changes after payroll processes and determines type of transaction required. Understand and explain the information to diverse audiences on how the calculation was derived, the supplemental tax ruling, and the impact of that ruling to the employee without providing tax advice.
- Perform account adjustments for payroll expenditure accounts. Identify and resolve incorrect payroll transactions. Perform monthly reconciliations for payroll expenditure accounts in SABHRS. Implement and communicate adjustments to ensure changes are accurately reflected. Gathers data through a variety of sources for analysis. Review department and state payroll systems transactions, develop specialized reports, and review supporting documentation.
- Resolve errors and other payroll issues related to items such as individual submissions or system errors, policy questions and detailed follow up with supervisors and employees.

- Correct payroll issues by researching files, correcting documentation and communicating with affected employees. Research and respond to employee questions or administrative/supervisor inquiries on payroll issue.
- Maintain and update the online personnel records system to ensure accurate and timely information is available for payroll/benefit processing.
- Complete and process requests for income verification.
