

WAIVER OF LIABILITY

Date: _____

Project Number: _____

Project Name: _____

Project Control No: _____

_____ agrees to the following conditions prior to receiving computer-generated disks of Montana Department of Transportation design information.

1. Montana Department of Transportation is not responsible for the integrity of the information if it is converted to a different file format or modified in any way by the recipient.
2. We acknowledge the information is preliminary and Montana Department of Transportation has no responsibility at any time to furnish updated design information. An environmental document for the Montana Department of Transportation project may not be finalized and as a result the alignment may be altered or project design features may change. If alignment or other design features of a project changes during the course of the project, the Montana Department of Transportation will not be responsible for notifying recipients of design data files if/when such changes occur.
3. Montana Department of Transportation is not responsible for any virus or damage the disk information may cause to the utility's system.
4. Any information provided by Montana Department of Transportation shall not be released to any other party, corporation, business or organization **except a consultant engineering firm which is employed by the utility for work on this project. The consulting engineering firm must agree not to release the information to any other party, corporation, business or organization.**
5. _____ agrees to furnish the Montana Department of Transportation any information of utility facilities to be incorporated in the design on subject project.
