Memorandum

To: Distribution

From: Paul Ferry, P.E.
Highways Engineer

Lisa Durbin, P.E.
Construction Administration Services Engineer

Date: June 3, 2008

Subject: Contract Time Calculation Procedures

MDT's contract time calculation procedure has been in effect since February 2006. All contracts being submitted to Contract Plans are required to have this. The production rates have been updated, and an English table added.

The procedures and referenced calculation files are located in the caddstd directory under \documentation\construction:

<ftp://ftp.mdt.mt.gov/caddstd/DOCUMENTATION/CONSTRUCTION/>

Send all comments and questions regarding this process to Lisa Durbin and Paul Ferry.
