

Montana Transportation Alternatives Program

City Loop Path – Lewistown

TA 7199(25)
UPN 8703000

Project scope: Paving 1.7 miles of an existing gravel surfaced path along an abandoned railroad line creating an ADA compliant multi-use path in Lewistown. The project provides an off-street transportation corridor extending from A Street to Main Street on the east side of town and from 6th Avenue to Main Street on the south side of town. The project included asphalt path, grading, concrete ADA ramps, curb & gutter, bollards, and revegetation.

Preliminary Engineering: MDT
Contractor: Century Companies, Inc.
Completed in 2017

Project costs:
Preliminary Engineering: \$16,749
Construction and Construction Engineering: \$192,470
