

Montana Transportation Alternatives Program

Multi-Use Path SE-Pablo

TA 37(39)

UPN 9153000

Project scope: 700-feet of new Americans with Disabilities Act (ADA) compliant shared-use path along the east side of US Highway 93 in Pablo. The project extends an existing section of shared-use path and provides safe and convenient non-motorized connection in Pablo near Salish Kootenai College. The project includes: 10-ft wide asphalt shared-use path, sidewalk, ADA ramps, signing, striping, and revegetation.
