

Montana Transportation Alternatives Program

O St – Bennett St Connector – Livingston

TA 7499(16)
UPN 9459000

Project scope: 1,850 feet of 10' wide ADA compliant shared-use path in northeast Livingston. The shared-use path connects to existing shared-use path beginning 700 feet southwest of Veterans Bridge on Park Street and extends southwest along the southeast side of Park Street to the intersection of Park Street and O Street. The project transitions from asphalt to concrete along the northeast side of O Street at the intersection with Park Street and extends southeast for 150 along O Street. The purpose of the project is to connect to existing shared-use path on Veteran's Bridge, Myer's River View Trail, and the new Livingston HealthCare facility.
