

Montana Transportation Alternatives Program

School Sidewalks - Arlee

TA 24(50)
UPN 8680000

Project scope: 4 blocks (1,400 ft) of new sidewalk along Houle and Morigeau Streets in Arlee from US Highway 93 to the Arlee School Campus along Fyant Street. No pedestrian facilities exist on any of the local streets in Arlee, subsequently, these sidewalks were needed to provide a facility for students accessing the school. The project included new curb and gutter, sidewalk, ADA ramps, drainage, and revegetation.

Consulting Engineer: WGM Group
Contractor: Poteet Construction
Completed in 2016

Project costs:
Preliminary Engineering: \$45,326
Construction and Construction Engineering: \$141,541
