

Montana Transportation Alternatives Program Sidewalks Phase II – Cascade TA 7(73) UPN 9439000

Project scope: 2,500 feet of new sidewalk, upgraded curb ramps to Americans with Disabilities Act (ADA) Standards, spot replacement of deteriorated sidewalk, retaining walls, signing and revegetation. The project is along the west side of 3rd Street between 2nd and 4th Avenues South; along the west side of 2nd Street between Central Avenue and 4th Avenue South, and along the south side of 3rd Avenue South between 3rd Street and 1st Street (MT Highway 68). The purpose of the project is to provide a safe route for pedestrians to and from the Cascade School Complex, the Downtown Business District, and throughout the south side of Cascade.
