From: Paul Jagoda, P.E.,
Construction Engineering Services Engineer

An updated Construction Non-Uniformity Complaint Form has been developed and replaces the form that was issued 12-12-01. Copies of the form can be found on the Contractors Forms Web Page located at:

http://www.mdt.mt.gov/publications/forms/const_forms.shtml

This form's intent is to address non-uniformity issues and improve statewide uniformity and contract administration. This form is to be used by any person complaining of a non-uniformity issue with MDT construction contracts. It will be that person's responsibility to completely fill out the form and sign it. If it is not signed it will not be processed. The completed form is to be submitted to the Construction Engineering Services Engineer at the address on the form.
