

 CONSTRUCTION MEMO	Date Issued: July 26, 2010
	Date Effective: May 20, 2010
	Related Specifications: 618.03.14
Subject: Contractor Flagging Requirements	

To: District Construction Engineers

From: Jim Wingerter, P.E.
Construction Traffic Control Engineer

Thru: Paul Jagoda, P.E.
Construction Engineering Services Engineer

Subsection 618.03.14 was recently modified to require flaggers to carry proof of their flagger certification. Rather than obtain copies of the certification for each flagger, field staff are to spot check for current and valid flagger certifications.

The submittal table has been updated accordingly.
