

MDT DETAILED DRAWINGS – SEPTEMBER 2014 EDITION

Note: All Detailed Drawings have an Effective Date of September 2014, unless there is an effective date noted in the Supplemental column of the table below.

An effective date in the Supplement Text column indicates a supplemental change has been made without a new printing release. These supplemental changes are listed in the Supplemental Text Revisions table, which follows and is posted on the MDT Internet. For more detailed information on these drawings or any of the drawings not listed, please e-mail: mdtdetaileddrawings@mt.gov or contact the Construction Administration Services Bureau at (406) 444-0464. You may also contact the MDT/MSU Design Section at (406) 994-1859 for any inquiries or comments on the Detailed Drawings.
