

CURRENT QUESTIONS & ANSWERS

MARCH 12, 2015 LETTING

101 - Beaver Creek Park-South & North of Havre-North

-1-

Clarification:

Submitted: Tue, 17-Feb-2015 11:33 MST

The quantity for the bid item for Traffic Control Devices CB #618 030 005 on the Schedule of Items in the Proposal is incorrectly listed as 70,000 units. This quantity should be 90,000 units, and is correct in the bid file, so no addendum will be issued.

Company: Pavement Maintenance Solutions

Contact: Chris Rasmussen

Question:

Historically the Hardness Specification has been ~~waived~~ relaxed so local aggregate may be utilized as Cover Material in this area. Will aggregate from the Bitterroot River gravel pits be acceptable for this project?

Answer:

Submitted: Tue, 03-Mar-2015 15:44 MST

The aggregate specifications in the contract will not be relaxed.
