Accessing WebGrants

The Montana WebGrants system, used for BaRSAA funding requests and completing the annual report requirement, is available online at this website:

<https://funding.mt.gov/index.do>

When you reach the homepage, the log-in fields are located on the left-hand side.

The screenshot shows the Montana WebGrants homepage. On the left side, there is a 'Login' section with a rounded orange border. It contains two input fields: 'User ID:*' and 'Password:*', followed by a 'Login' button. Below the login fields are links for 'Forgot Password?', 'New to WebGrants - State of Montana? Register Here', and 'Funding Opportunities Offered by Montana State Agencies Search Here'. On the right side, there is an 'Announcements' section. It features a heading 'Announcements' and two paragraphs of text. The first paragraph is about 'Impaired Driving Mini Grants available for local projects.' with a link to 'MDT Impaired Driving Mini Grants FFY2018'. The second paragraph is about 'Help reach MDT's Vision Zero by collaborating in local projects that aim to eliminate roadway fatalities and serious injuries.' Below this text is the 'VISION ZERO' logo, which includes a map of Montana inside a circular road sign graphic, with the text 'VISION ZERO' and 'zero deaths zero serious injuries' below it.

If you have previously registered and know your user ID and password, enter that information and click “Login.”

If you can't remember your user ID or are not sure if you're previously registered, please contact MDT Planning, 444-9131, mdtbarsaawebgrants@mt.gov.

This is a close-up screenshot of the login area from the previous image. It shows the 'Login' heading, the 'User ID:*' and 'Password:*' input fields, and the 'Login' button. If you have your user ID, but can't remember your password, click the Forgot Password? link underneath the log-in area, on the left-hand side of the WebGrants homepage.
