Attend at any of the locations to share with us your thoughts on pedestrian and bicycle travel and to learn about the planning process. A collaborative effort will help us develop and implement a plan to meet the needs of transportation users across the state. Your input will help us assess focus areas for non-motorized transportation such as:

- Safety and education;
- System preservation and maintenance;
- Mobility, health, and economic vitality;
- Accessibility and connectivity; and
- Barriers and challenges.

For more information on the *Montana Pedestrian and Bicycle Plan*, please visit the project website at

www.mdt.mt.gov/pubinvolve/pedbike.

Your participation and feedback is an important part of the planning process. An electronic survey is also available on the website to help assess the existing needs for pedestrian and bicycle transportation in Montana. To submit comments, go online, or mail your comments to MDT – Ped Bike, PO Box 201001, Helena, MT 59620.

MDT attempts to provide accommodations for any known disability that may interfere with a person's participation in any service, program, or activity of the department. If you require reasonable accommodations to participate in this meeting, please call Jan Nessel at (406) 556-4707 at least two days before the meeting.
