

TARGHEE TURN LANES

DEAR TARGHEE PASS HIGHWAY FRIENDS AND NEIGHBORS!

The Montana Department of Transportation (MDT) and engineering firm, Robert Peccia & Associates (RPA), Helena, are currently in the design phase of the Targhee Turn Lanes project. This safety improvement project on US Highway 20 (US 20) will address an intersection-related crash pattern near Denny Creek Road, west of West Yellowstone

Join us in person or online to learn more about the project, view proposed corridor plans, ask questions, and provide feedback directly to the project team.

The same content will be provided during both sessions. No formal presentation will be made during the in-person event, and attendees are welcome to drop by at any time. The virtual event will have a brief presentation followed by a question-and-answer session.

TARGHEE TURN LANES OPEN HOUSE
