You're invited to learn more about the Wolf Creek Bridges Project

The Montana Department of Transportation is hosting one-on-one meetings with the public to discuss the Wolf Creek Bridges project and review planned improvements. MDT is asking the public to schedule a time in advance to meet with project staff. This will allow group size to be limited in order to adhere to COVID-19 social distancing guidelines.

The meetings will be held at the Wolf Creek Volunteer Fire Department in Wolf Creek on Thursday, July 23 between 4 p.m. and 6 p.m. Please contact Brandon Coates at (406) 465-3350 or email Brandon@rbci.net to schedule a time to attend. If you are not comfortable meeting in person or cannot make the July 23 date, please contact Brandon Coates for more information.
