

Does your DUI Task Force have a well-rounded DUI prevention program?

Is your task force membership diverse?

- Education community (schools, colleges, universities)
 - Guidance counselor
 - Health/social studies teacher
 - Health center staff
 - Social worker
 - Athletic director
 - Principal
 - Students (esp. those studying statistics, social work, psychology, etc.)
- Medical community
 - Nurses
 - Doctors
 - EMTs, first responders
 - ambulance provider
- Law enforcement community
 - Police
 - Sheriff
 - Tribal law enforcement
 - Montana Highway Patrol
 - university police
 - probation and parole officer
 - school resource officer
 - detention officer
- Insurance agent
- Works with youth (e.g. scouts, 4-H, church youth group)
- Faith-based community (chaplain, pastors, priests, ministerial association)
- County Attorney, City Attorney
- County health department
- Retired citizens
- School Parent-Teacher Associations
- Tavern Association or individual establishment
- Restaurant Association or individual establishment
- Alcohol distributor
- Responsible Alcohol Sales & Service trainer
- Court representative (great for helping with data collection)
- Area prevention specialist (every county has one under contract to DPHHS)
- City Commissioner/City Council member
- County Commissioner
- Chamber of Commerce or other business representative
- Safety officer from large area business
- Mental Health services
- Concerned parent
- DUI victim/survivor
- Victim's Witness Advocate
- Other advocates
 - MADD
 - MT Community Change Project
 - EUDL funding recipients
 - STOP underage drinking funding recipients
 - Safe & Drug Free School funding recipients
- Human Resource Development Council
- Fire Department
- Treatment provider
- Legislator
- County extension agent
- Media representative (newspaper, radio, and/or TV)
- Public relations/communication
- Tribal nations
 - Indian center
 - Injury prevention staffer
 - Tribal sanitarian
- Taxi company
- National Park Service
- Job Service
- Fish, Wildlife & Parks

General deterrence

- DUI Task Force has strong presence and messaging throughout the county (e.g. chamber of commerce membership, many partners on DUI Task Force, including representatives from outlying communities)
- Public awareness through media advocacy (newspaper articles, radio news, TV news)
- Public information & education (e.g. brochures, posters)

Prevention

- Evidence-based programs in schools (e.g. Project Northland, Class Action)
- Other youth programs, e.g. mock DUI crash
- Policies for student athletes who get MIPs or DUIs are enforced
- Prevent over-service of alcohol through RASS training
- Prevent sales of alcohol to minors through RASS training
- Designated driver programs
- Free ride home programs
- Strong DUI laws and penalties, e.g. BAC refusal ordinance
- Social host ordinance
- Designated “beer garden” at local events
- Alcohol screening, brief intervention, and referral to treatment (SBIRT)

High visibility law enforcement

- Multi-jurisdictional mobile safety spot checks
- Dedicated DUI patrols
- MHP Mobile Impaired Driving Assessment Center on display at community events
- Kegger patrols
- Bar checks for over-service
- Party patrols

Law enforcement support

- Training on recognizing drug impairment (ARIDE and DRE training)
- Current law enforcement SFST Certifications and/or refresher training
- Equipment for identifying and documenting DUI evidence (e.g. in-car video camera, PBT, personal video recording device)
- Recognition for officers that perform consistently in identifying and arresting DUI suspects
- County/City Attorney supports law enforcement DUI efforts and prosecutes accordingly
- Currently training for County/City Attorney on DUI/DUID prosecution methods from TSRP

Consequences for DUI offenders

- Victim Impact Panel
- DUI offender monitoring, especially regarding treatment requirements
- Treatment and accountability via DUI court
- Prosecutor training and support, e.g. big screen televisions and audio equipment for courtrooms (visual trials)
- Improve sentencing consistency via court watch program

Other

- Recognition for partners, e.g.
 - annual “Swimming Upstream” award ceremony to honor partners for their accomplishments
 - “We love our merchants” recognition ceremony on Valentine’s Day for establishments that participate in RASS training
- Regular membership drives to bring new partners and energy to the TF, + allow for rotation in service positions
