

2014  
Statewide  
Transportation  
Safety Summit

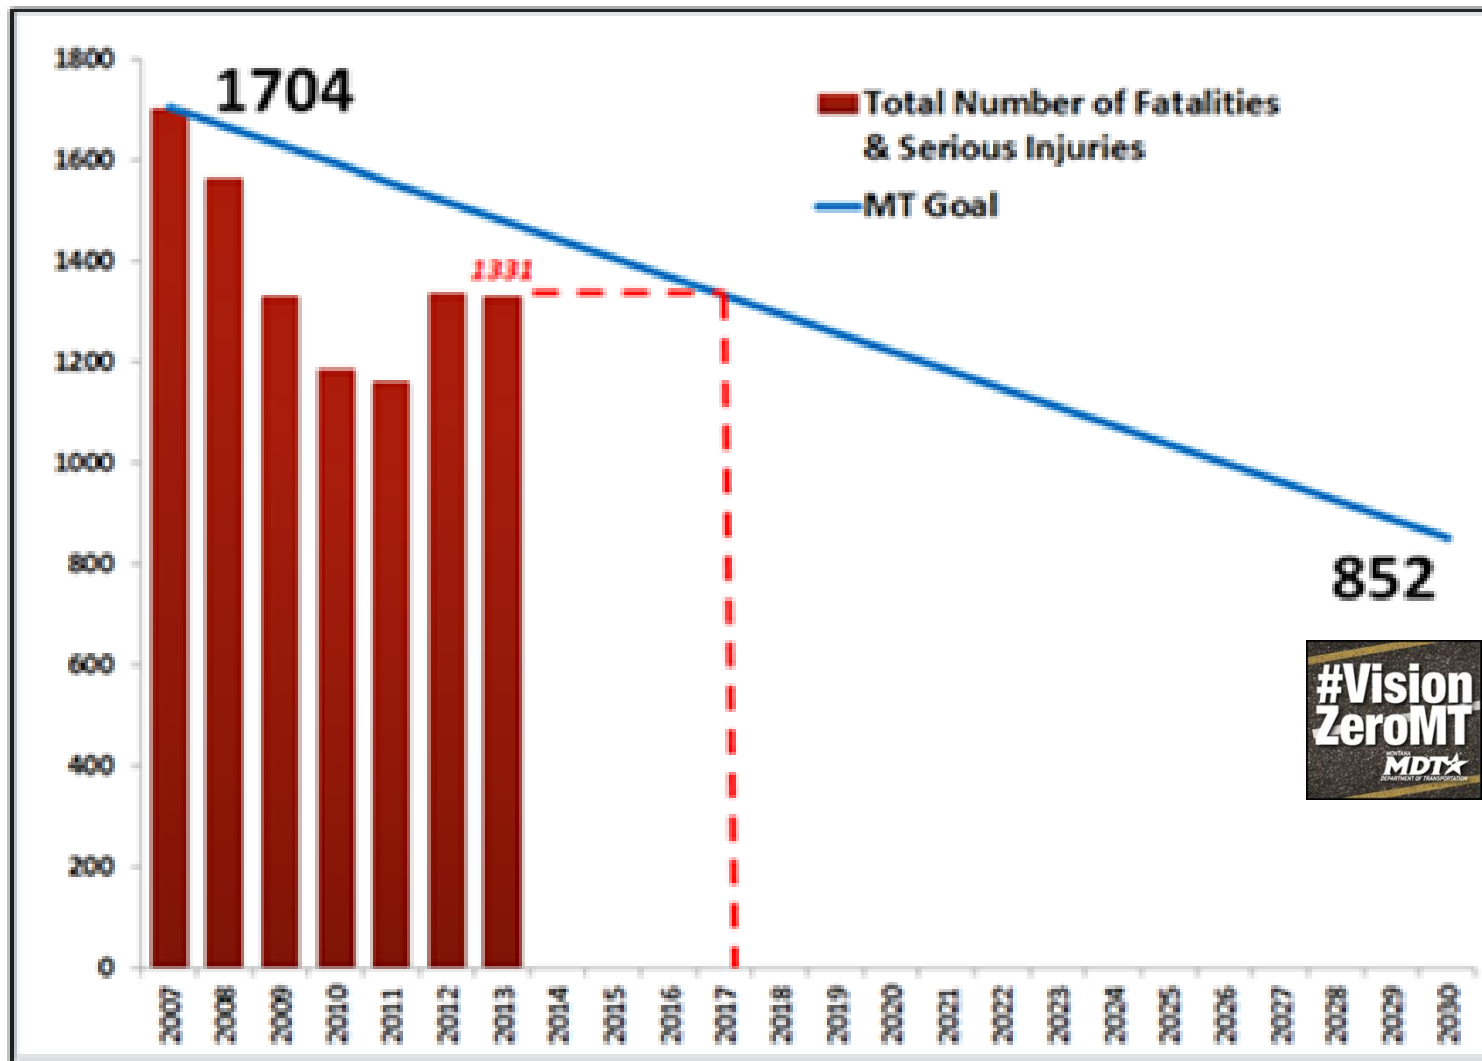

Mike Tooley  
Montana Department of Transportation Director  
Governors' Highway Safety Representative  
October 15, 2014

# Vision Zero

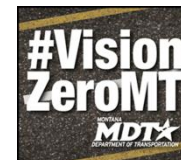

## *Vision Zero*

*Zero fatality, zero injuries -  
all highway users arrive safely  
at their destination.*

# MT Highway Safety Goal

Source: MDT- SHTSS Data Research Analyst, 2014

# Montana Data Facts

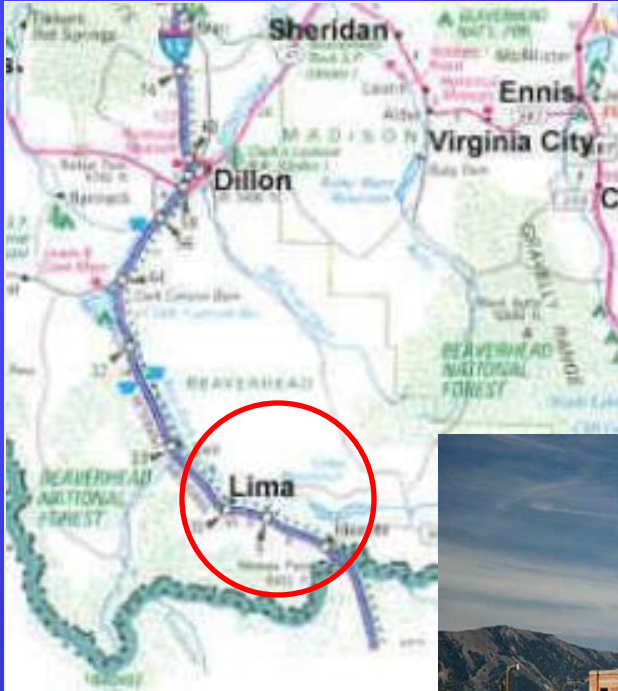

- ▣ Roadway departure crashes have accounted for 67% of all Montana's roadway fatalities.
- ▣ Impaired drivers involved crashes have accounted for 43% of all Montana's roadway fatalities.
- ▣ 57% of all Montana roadway fatalities involved unrestrained occupants.

# Montana Data Facts

- ▣ 82% of fatalities and serious injuries occurred on rural area roadways.
- ▣ Friday, Saturday, and Sunday account for almost half (49%) of all fatal and serious injuries.
- ▣ The three months of June, July, and August account for 35% of all fatalities and serious injuries.

# Compare

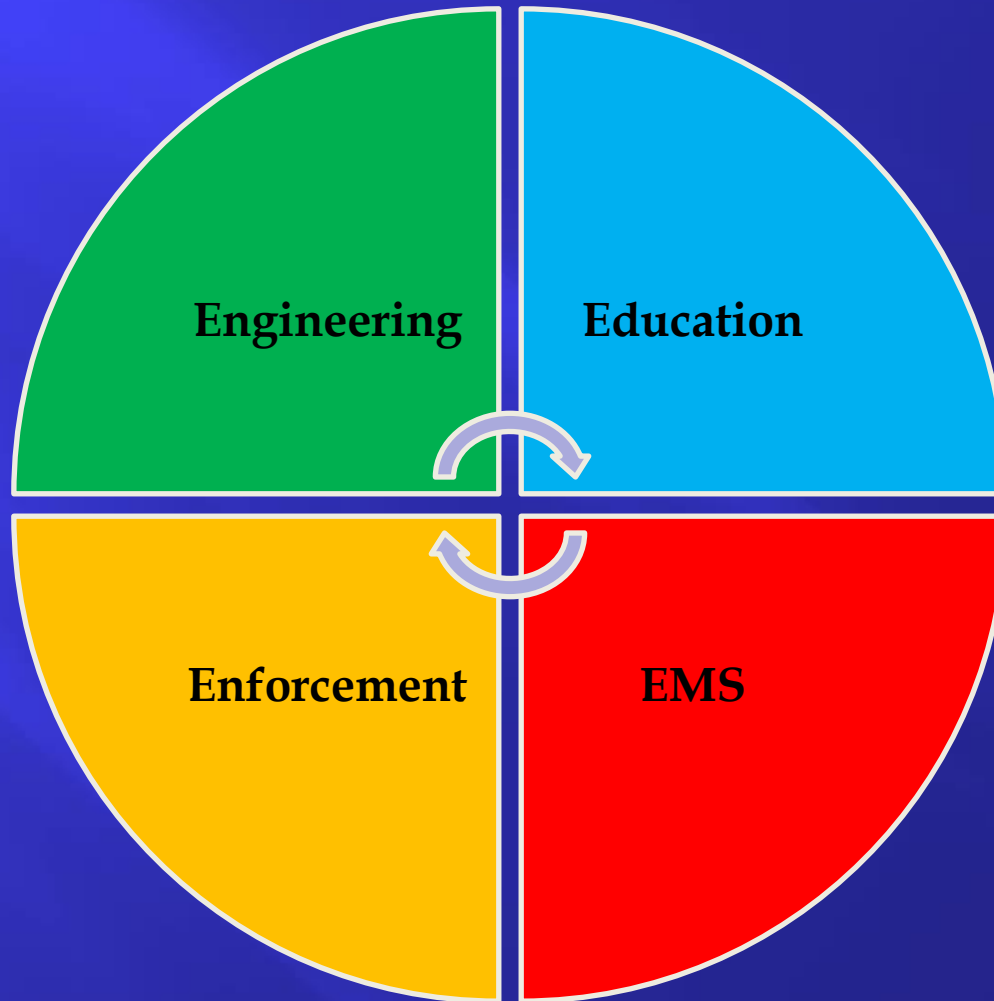

Last year Montana had 228 fatalities  
228 men, women, and children. That's the equivalent of

- Town of Lima.
- Broadwater High School student body
- Half the fleet of Glacier's Red
